Our Amenities

Fresh Towels are available in the locker rooms. Water coolers are at every court for a refreshing drink or take a short walk to the Snack Shack or a quick bite, snack, or beverage. There is an Ice Machine at the snack shack as well as permanent Men and Women's restrooms. Need a racquet re-strung or re-gripped, let our pro take care of that for you.

Ways to Play

Our courts are open year-round for play from dawn to 10 PM. Our courts are first come, first served and rules are posted for singles and doubles play if other members are waiting. Very rarely are the courts closed for an exclusive event. Even during league matches and summer camps we leave courts for members to play.
